Why study in Italy and in Milan?

Quality of teaching

Most Italian Universities rank in the top 200 and top 100 Universities in the world.

Wide range of Universities offering both English and Italian programs.

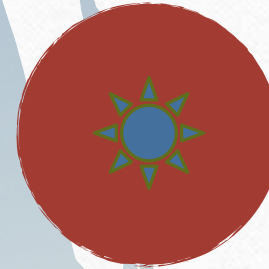

Affordability & low living cost

Tuition fees and living in Italy is significantly cheaper than living in the US, UK and many other European countries.

Work opportunities

Plenty of opportunities for international students.
Up to 20 hours per week.
12-month post study work right.

Culture & safety

Great historical heritage, food, atmosphere and welcoming people.
30th safest country in the world.

Highly stimulating city

Milan is one of the richest cities in terms of architecture: centuries-old buildings stand right next to ultra-modern skyscrapers.

Requirements to enroll in an Italian University

Requirements and procedures to enroll in an Italian University vary depending on whether you are an **EU** or a **non-EU student**, and whether you're applying at undergraduate (referred to as 'first cycle') or graduate level (second and third cycle).

Each University has a **different admission procedure and its own admission test** – details about the enrollment procedures can be found on the website of each University and on the portal <https://www.universitaly.it/index.php/>

General requirements

- Have **12 years of global schooling** or 10/11 years + complimentary studies, which can be:
 - one (in case of 11 years) or two (in case of 10 years) years of University studies;
 - a post-secondary title;
 - a foundation year: a preparatory program at an Italian or foreign institution.
- Pass the **entry exam** at the chosen University
- Pass the **language exam** (Italian or English) organized by the University (if required)

Documents needed for enrollment

STANDARD DOCUMENTS

- Legally translated **High school diploma**
- **Declaration of value** (Dichiarazione di Valore) – a document issued by Italian embassies and consulates in the country of residence listing the **candidate's completed studies**
- **Certificate** proving the **completion of 1 or 2 years of academic studies** for those countries where the educational system lasts only 11 or 10 years

EXTRA DOCUMENTS (non-EU students)

- **Pre-registration** (via the Italian diplomatic-consular representation in the country of residence)
- The **entry VISA**
- **Certificate** attesting that the **University entrance examination** in the country of origin has been passed if required by law (e.g. Gao Kao for Chinese students, Suneung for South Korean students, and Vestibular for Brazilian students.)
