NEW COURSES IN 2019

ITALIAN LANGUAGE COURSE FOR FAMILIES

Special language program dedicated to all family members

Modern families consider a new language acquisition as an important value in the education of their children.

The Italian Language Course for Families has been designed with the specific objective: to give all members of the family the opportunity to understand and / or speak the Italian language through an intensive group course that mainly focuses on the communication skills. The course is aimed at whole families, with one or more children, provided they are over 12 years old. Particular attention is paid to the inclusion of younger students within the classes, so that they can get the most out of this experience.

Dedicated to:

All types of families residing abroad or in Italy, who wish to learn or deepen the Italian language for different reasons (travel, business study). Families who want to share a language learning experience and want to enrich their cultural baggage.

Course starting date: every Monday

Duration: min. 1 week

Lessons: 4 per day; 20 per week

DISCOVERING YOUR ORIGINS

Italian language course for the descendants of Italian emigrants abroad

Throughout its history, the Italian population has witnessed the flow of entire families leaving their country to go abroad in search of better life.

To avoid losing their culture and identity, Italian emigrants never stopped talking to their children and descendants in their mother tongue passing them down stories and traditions about the place they came from. The course "discovering your origins" aims at carrying on and deepening the transmission of the Italian language and culture to the descendants of Italian emigrants, allowing them to discover the origins of their ancestors.

Dedicated to:

The course is dedicated to the descendants of Italian emigrants abroad, coming from any part of the world, who wish to come to Italy to deepen their language of origin and eventually visit the place where their ancestors departed from.

Course starting date: every Monday

Duration: min. 2 – max. 12 weeks

Lessons: 26 per week

Level: from elementary **A2**
